

Do you need more performance out of your body just to keep up?

Are you in pain right now?

ARE YOU SICK? Do you have chronic symptoms related to abnormal **cholesterol, insulin, respiratory, coronary, circulatory** and/or **immune** function?

Is **stress, attention deficit, or depression** symptoms affecting your family? Do **fatigue, mood swings** and **lack of focus** and **concentration** affect your life?

ARE YOU HEALTHY? This new science goes beyond better health to create a new environment in your body predisposed to superior performance.

Active people experience less fatigue, faster recovery times. You have less inflammation and soreness. Your body gets more oxygen. And your brain's neurological balance is restored providing for better focus and concentration. More than ever before!

You can be faster, smarter, and better!

The latest medical research reported by the National Institutes of Health (NIH), our nation's premier medical research agency indicates yes!

The NIH invests over \$27 billion a year conducting and evaluating medical research on behalf of you and every other American and supports nearly 6,000 scientists who work in its laboratories in Bethesda, MD.

The NIH are the best and brightest minds in American science and medicine. Its purpose is to make important medical discoveries that improve health and save lives.

This new data is overwhelming and it's still pouring in from over two decades of research. Multiple population studies from three continents as well as science proves it all true. **This is the new textbook science.**

The data supporting pain-free living and freedom from abnormal cholesterol symptoms, insulin, respiratory, coronary, circulatory and immune is already established.

Now the neurological value of this newly discovered marine miracle is documented and the implications are simply outstanding. **It can change your life!**

The only thing left to do is get Seabiotics into your body and start the process. Results come fast!

smart!

Seabiotics is the miracle that modern science has been promising

Seabiotics™ is new to America from Norway. Its medical and manufacturing teams invested over 20 years developing this miracle in a bottle for your doctor and health practitioner. There has never been a product like it before — and there is not another product like it anywhere now.

It combats inflammation in the body, rejuvenates your immune system, and helps restore balance to brain function. All of this is yours with one tablespoon a day!

According to the US government, there are 225 million Americans who have at least one chronic disease. Every one of them needs to know about Seabiotics.

Omega-3s are the "secret" to why our neighbors in Norway, Greenland, Japan and several Mediterranean countries have virtually no coronary or cardiovascular conditions. Attention, learning, and depression symptoms are non-existent. Neighboring countries on three continents have little pain or sickness. Now we finally know for a fact why they enjoy life well into their 80's while Americans struggle to reach their 70s with daily pain and discontent. It's time to catch up!

Get the edge you need to feel your best. You can be smarter, faster, and better. Start today!
